

DSDS-Star Johanna has a new summer hit.

She wants to take the charts by storm with her single "Geil wie Vanilleeis" ("Lush like Vanilla Ice")

The song is a catchy pop tune with 'feel-good' potential. The singer, well known from her participation in the RTL-show "Germany's Next Superstar", is sure: "This is going to be a summer hit - the boys will melt - like vanilla ice." Dieter Bohlen as well?

Johanna got famous in 2007, when she sang the title "Ich hab die Haare schön" and received much applause by the show's fans for her original presentation. The click-count for the Youtube recording of her performance and numerous more video clips reached undreamt-of heights. Johanna, a native of Poland, had earned cult-status.
